LET'S RECAP

DESCRIBE THE FOLLOWING AND GIVE EXAMPLES:

- Dilemma in a text

DESCRIBE THE FOLLOWING AND GIVE EXAMPLES:

- Dilemma in a text
- Dilemma is a struggle occurring within the mind of a character.
- A choice has to be made out of the equally undesirable options.
- There may be a single or multiple dilemmas in a story.
- The purpose is to create a tension and complexity in a narrative by adding confusing and conflicting ideas.
- For e.g. One of the dilemmas in the story of Cinderella was ‘how to get to the ball’.

WHAT DILEMMAS HAVE BEEN FACED BY THE CHARACTERS TILL NOW:

1. In chapter 2, when Hogarth first saw the Iron Man, he had to make a choice between escaping quietly or trapping the Iron Man to fall in to the pit.
2. In chapter 3, a decision has to be made about what to do with the Iron Man.

TO GET A DEEPER UNDERSTANDING OF DILEMMAS, THINK OF A TIME WHEN YOU FACED ONE!

1. Was there ever a time when you had to make a difficult decision? When?
2. What were the options you had to choose from?
3. Why was it difficult?
4. What choice did you eventually make? Why?

THIS WEEK WE ARE READING
'THE IRON MAN' BY TED HUGHES.

TODAY WE ARE READING CHAPTER 4 AND COMPLETING THE TASKS AROUND IT.
