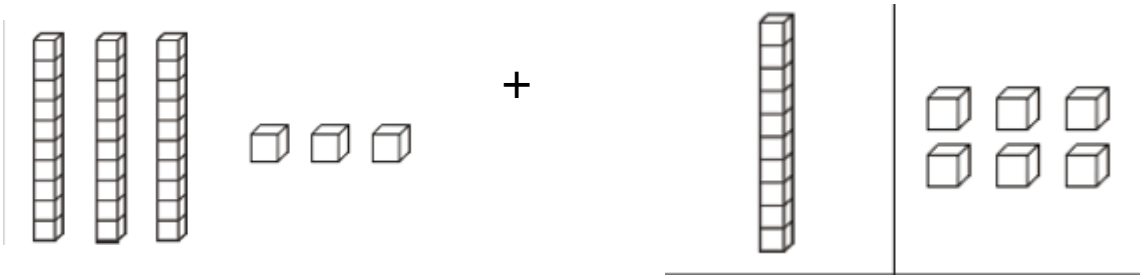
Adding tens and ones

Steps: Add all the tens first:

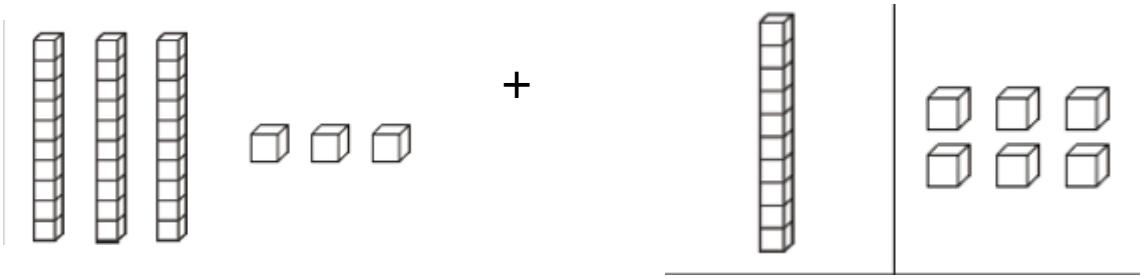
30 + 10 = 40



Add the tens first and then add the ones.

Steps: Add all the ones.

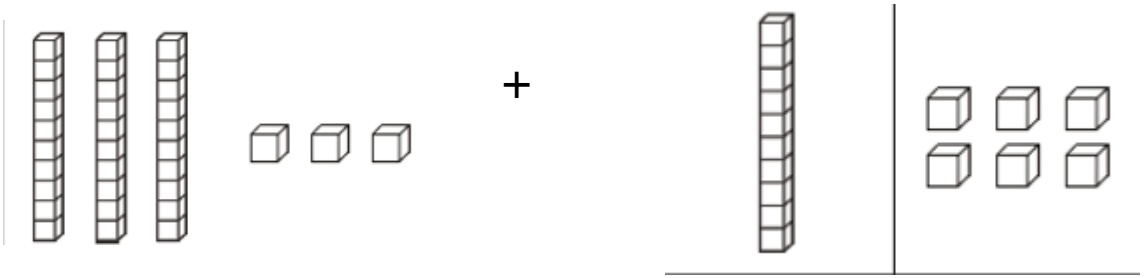
3 + 6 = 9



Add the tens first and then add the ones.

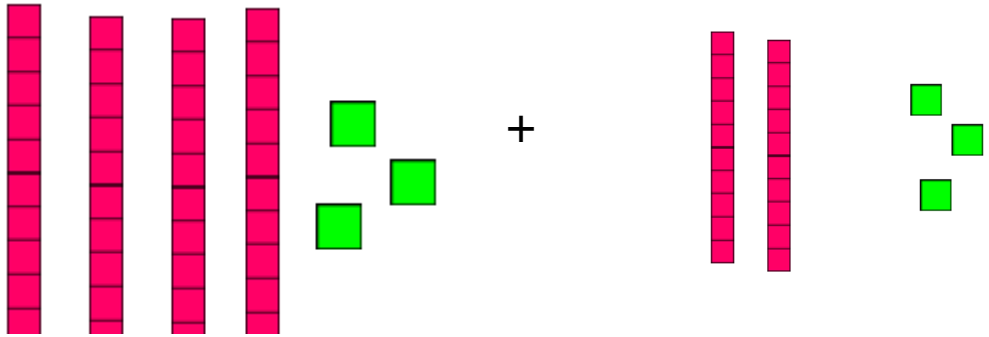
Steps: Add the tens and ones altogether.

40 + 9= 49



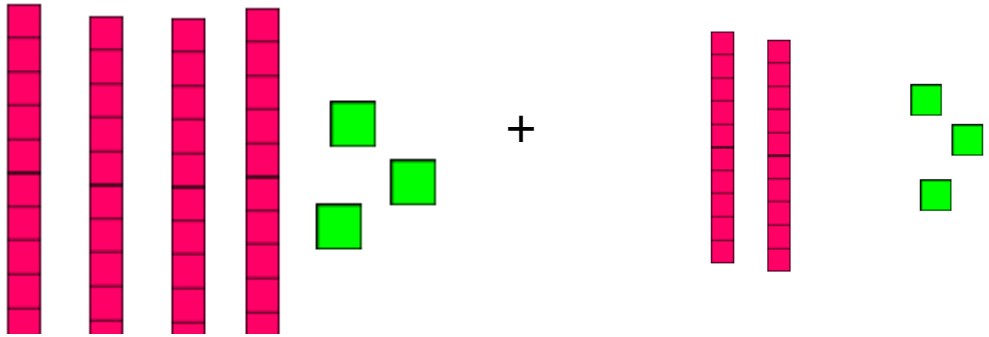
Add the tens first and then add the ones.

Add the tens first.



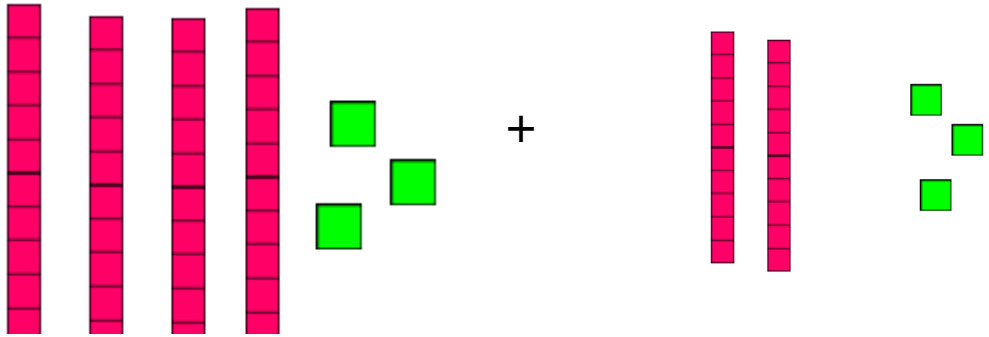
40 + 20 = 60

Then add the ones.



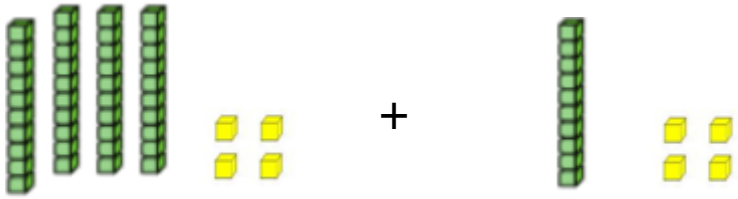
3 + 3 = 9

Add the tens ones altogether.



60 + 9 = 69

Have a go at this one.



Now try this one.
