

Tuesday

- For Maths week London, this week's maths will be problem solving activities online and offline for you to do.
- For more information and other activities go here - <https://www.mathsweeklondon.org/>

Investigation – No zero

The Ancient Greeks and the Romans had no symbol for zero. It was the Indians who invented a symbol for zero, and then the Arabs who brought it to Europe.

Investigation – No zero

- Write the numbers 1-50.
- How many of these have a '0' in them?
- How many numbers between 1 and 100 have a zero in them?
- How many numbers between 1 and 1000 have a zero in them?

Investigation – No zero

Challenge:

- Work out how many numbers between 1 and 10,000 have a zero in them.
- Can you prove to someone else that you have found them all?
