LO: To evaluate, edit and improve my work.

Look at your letter from  
yesterday..

Today we are going to edit and  
improve our work by choosing  
some of our paragraphs to edit  
and make better....

How will we edit our work?

# Usually

when we edit our work I would have marked your work and told you what changes to make.....

First we need to look at our letter from yesterday...

What paragraphs could we improve?

How can we improve it?

We can try by adding adjectives, noun phrases or details....

Hi Mum and Dad,

I am writing to tell you that I miss you so much but that I am having such a great time here in Tobago!

When I first arrived here I was a bit worried and scared but it turns out that I was worried for nothing because Granny and Grandpa are amazing and everything turned out just fine.

Granny is so sweet, Grandpa is funny and Lennox is cool. I'm so happy to have met my family.

Granny, Grandpa Lennox and I went to the beach and we had a fantastic time. The bus ride was not great because it was as hot as an oven but the beach was amazing! There were palm trees and sand just like a travel poster.

Anyways, I have to go now. We are about to go to the markets! I miss you both so much and I can't wait to see you both.

I love and miss you!

Love from Gregory.'

When I first arrived here I was a bit worried and scared. I have never been away from you guys and I have never been to Tobago. I was worried about what Granny and Grandpa would be like and whether or not they would understand me. I know that I have seen them in pictures and that they have seen me but I was quite terrified of actually meeting them! It turns out that I was worried for nothing because Granny and Grandpa are amazing and everything turned out just fine.

Granny is so sweet! She makes me breakfast every morning and tucks me into bed every night. Grandpa is so funny! He tells me all these stories and he laughs so hard.

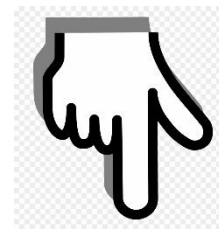

I also met my cousin Lennox! We are about the same age. At first I thought he was weird because he walks around barefoot but then I understood why- it's actually too hot to wear shoes most days! He takes me around everywhere and tells me everything I need to know about the culture of Tobago. He is so cool and really, really smart.

The sea was so beautiful. So warm and blue and guess what?!? There were dolphins swimming in the sea! I met two fishermen there who cut a coconut and let me drink the juice from it. It tasted so good. Once I finished they gave me a big, red fish to give to Granny. We had a picnic at the beach. The tastiest fried chicken, sweet bread, fruit and biscuits. My belly was so full it looked swollen!
