

Year 1 Newsletter

Spring 1
2022

News

Welcome back and Happy new year! We hope you all had a wonderful Christmas break! Year 1 worked extremely hard last term and we are very proud of all the progress they have made. The teachers have planned a new half term full of exciting and new learning opportunities. This newsletter will highlight the curriculum topics we will cover this term. If you have any questions, please do not hesitate to make an appointment with your child's class teacher.

Miss Ramji (1W) Miss Qaisrani (1P) Mrs Hussein (1S) Miss Patel (1F)

Literacy

This term, the children will be focussing on the story:
Orion and the Dark by Emma Yarlett.

Children will be:

- *Using capital letters, finger spaces and full stops in their writing.
- *Predicting what happens next in the story.
- *Identifying and describing characters and settings.
- *Role-playing the stories.
- *Writing their own version of the stories.

Children will also be learning **how to write instructions.**

How can you help your child at home?

In order to help your child at home, you can encourage them to practise their hand-writing and learn the Year 1 common exception words/ high frequency words which will be sent home.

Science

Plants

Children will be learning to identify and name common wild and garden plants, including deciduous and evergreen trees.

Animals

Children will be taking part in the Birdwatch 2023. They will be making bird feeders, pattern seeking and comparing the number of birds that visit at different times of the year.

Seasons

The children will be observing, describing and recording the changes in the weather over time.

Computing

Navigating Websites

Children will begin learning the benefits and risks of using the internet. They will learn how to navigate a website and find information for a given online resource. They will practise how to type in simple URL's and use a range of sources to find information.

Art

In this subject area, the children will be learning about drawing, painting and designing their own toys. They will use a range of materials, a range of art techniques and thinking about the work of a range of artists.

History

Amy Johnson

In this half term children will be learning about a significant person in our locality named Amy Johnson. They will learn why she found it difficult to fly, how people reacted to her flying and how things changed for Amy after her famous flight to Australia.

Maths

Children will be:

- *Counting in multiples of twos, fives and tens.
- *Solving one-step problems that involve addition and subtraction.
- *Solving problems involving multiplication and division.
- *Fractions—half, whole, quarter, three quarter.

Measurement/Geometry

Children will be:

- *length and height.

BBC Bitesize: <https://www.bbc.co.uk/bitesize/topics/zjv39j63>

Music

Music will be delivered by a Brent schools music teacher who will be focusing on rhythm skills and rhyming patterns.

RE

Children will learn about what makes a person special. They will consider special people in different religions and identify features from these which also show them as special. The children will also learn about different deities.

P.E

P.E lessons will be taught by a specialist P.E teacher. The children will explore games involving throwing, catching and creating games.

Please ensure your child **comes to school dressed in their P.E kits every Tuesday and Wednesday.**

Thank you from the Year 1 Team. Please note that morning drop off to school is from 8.30am until 9am.

Children should be collected from their classrooms between 3.20pm and 3.45pm.

Miss Ramji (1W) Miss Qaisrani (1P) Mrs Hussein (1S) Miss Patel (1F)

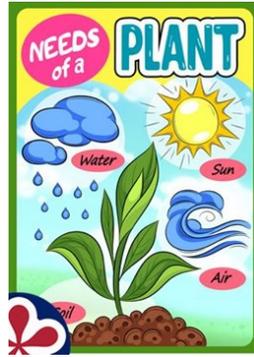

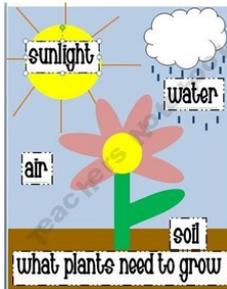

Year 1 Topic Home Learning Spring 1

Please choose at least one of the KS1 challenges to complete.

Science—Plants

Can you create a **poster** about looking after plants? Think about what plants need to survive and why we enjoy having them!

Use important key words you have learnt and make your poster as colourful as a field full of flowers!

Art—Toys!

For art children are learning to draw, colour and build their own toy. Can you create a picture of a toy that you think every child today would want to play with?

***Think about the size and shape**

***Colour/material**

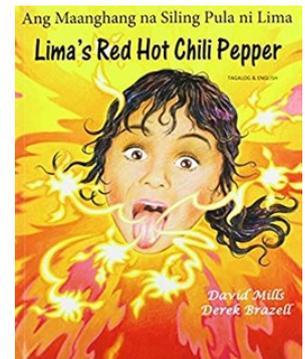

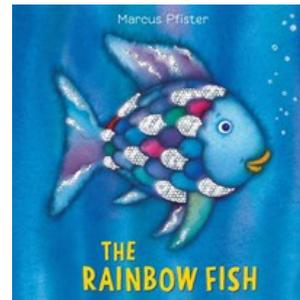

Literacy-Stories

Have you read a good book recently? Tell us all about it! Draw a picture of your favourite part of the book and write a matching sentence!

Don't forget to use:

- *A Capital letter
- *Finger spaces
- *A full stop

Compulsory Homework—Each week

Reading

Reading books will be changed **every Friday**. Please ensure your child's reading record is **signed** to show that you have read with your child. Books will not be changed unless their reading record is signed.

Spellings

Spellings will be given **every Tuesday** and children will be tested the **following Monday**. The phonics sounds that they are learning in class will be highlighted in red.

Mental Maths/Phonics homework

Your child will be given phonics and numeracy homework in their red homework books **every Friday**. The homework will need to be handed in on the following **Wednesday**. Please encourage the children to do their homework independently and guide them if they need support.
