EXAMPLE

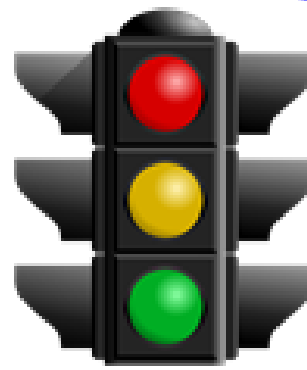

The young girl is a sweet but sick little lady. She is white with really pale skin and she has small, dim brown eyes that are lacking sparkle. She has a long, pointy nose and her hair is black and thin.

The young girl is a kind little girl who feels weak, and tired. She really wants to get better and hopes that Duck Egg and She Fox can save her. When Duck Egg puts her ear to her chest the young girl is very optimistic and hopeful about her future. What a hopeful time this is!

People believe that the young girl is nice and kind because they are all going out of their way to save her. The she fox loves the young girl because they saved each other and now they can live a life without sickness.
