<p>Monday</p> 	<p>Chalk gallery</p> <p>Create a chalk gallery on the ground in your garden or on the pavement. Make sure your artwork is colourful and beautiful! <p>Tuesday</p> 	<p>Letter Challenge</p> <p>Today let's try out a letter challenge. How many things can you find in your house that start with an M? Write a list or draw the pictures.</p>
<p>Wednesday</p> 	<p>How do you stay safe online?</p> <p>Write your own rules for staying safe online. What should we be doing? How can we remember the rules for staying safe? Could you write it as a song or a rap?</p>
<p>Thursday</p> 	<p>Go on a colour hunt.</p> <p>Choose your favourite colour and try and find as many things of that colour as possible. You could take a photo, draw a picture or write a list.</p>
<p>Friday</p> 	<p>Be a Superhero</p> <p>Have you ever thought about what you would do if you were a superhero? Draw a picture of yourself as a superhero and label it with your super power and what you would do with it.</p>
<p>Saturday</p> 	<p>Design your own emoji</p> <p>It is a strange experience having to stay at home but still do schoolwork. Some days are fun, some are sad, and some are exciting. Can you design your own emoji to show us how you are feeling today? Try and make it different to all of the emojis that we know and have seen before.</p>
<p>Sunday</p> 	<p>A sporting challenge!</p> <p>How quickly can you do 10 star jumps? Can you do 50 star jumps? How long did that take? What about 100? How many can you do in 30 seconds? In one minute?</p>
