Day 4

LO: TO write a setting description for Egyptian Cinderella

This is an example for a setting description that includes description of the royal barge and Rhodopis— what different descriptive techniques did I use?

As the stunning Pharaoh approached the servant girls, all they could smell was the beautiful scent of lavender. He slowly walked towards them carrying a rosy-red slipper glistening in the sunlight like a star.

As Rhodopis tried on the slipper it felt like resting her feet in the clouds. It fit perfectly into Rhodopis's cute feet. She had a pretty body, with legs as long as a giraffes, beautiful blonde hair and rosy cheeks. The pharaoh was astounded by her.

Rhodopis and the Pharaoh entered the Royal barge, all she could see was glistening gold vases and jewellery. The barge was made out of soft wood and it smelled like an ancient forest. She could hear the soft waves of water rippling along the side of the barge as she entered.

As the stunning Pharaoh approached the servant girls, all they could **smell was the beautiful scent of lavender**. He slowly walked towards them carrying a **rosy-red slippery glistening** in the **sunlight like a star**.
