

You will know

- Some items are not safe to play with or eat and drink.
- I can tie my shoelaces by making two loops and tying them together.
- I should not take medicine without an adult helping me.
- All children have a right to be safe.
- It is important to try hard and not give up even if you find something a challenge.
- There are lots of people at home and in the community that can help us e.g., teachers.
- I can help others by being kind and helpful like sharing and having good manners.
- We need money to pay for goods and services.
- There are different ways we can receive money e.g., having a job or pocket money.

PSHE

Year 2

Summer Term

Living in the Wider World

Vocabulary

Word	Definition
hazard	Where there is a chance you could get hurt.
earn	To get something because you worked for it. For example, if you help with jobs at home, you might earn a sticker or some pocket money.
danger	A chance something bad might happen.
pressure	you feel like you have to do something because other people want you to .
practice	Doing something again and again so you can get better at it .
confidence	Believing in yourself and knowing that you can try your best, even if something is hard.
irresponsible	Making choices that aren't safe or sensible.
value	How much something is worth.

What are some ways I can keep myself safe and get help if I need it?

What could I do if I spot a potential hazard at home, school or in the community?

UN Rights of the Child	6
