

# Childhood Then and Now

**Today we will be...**

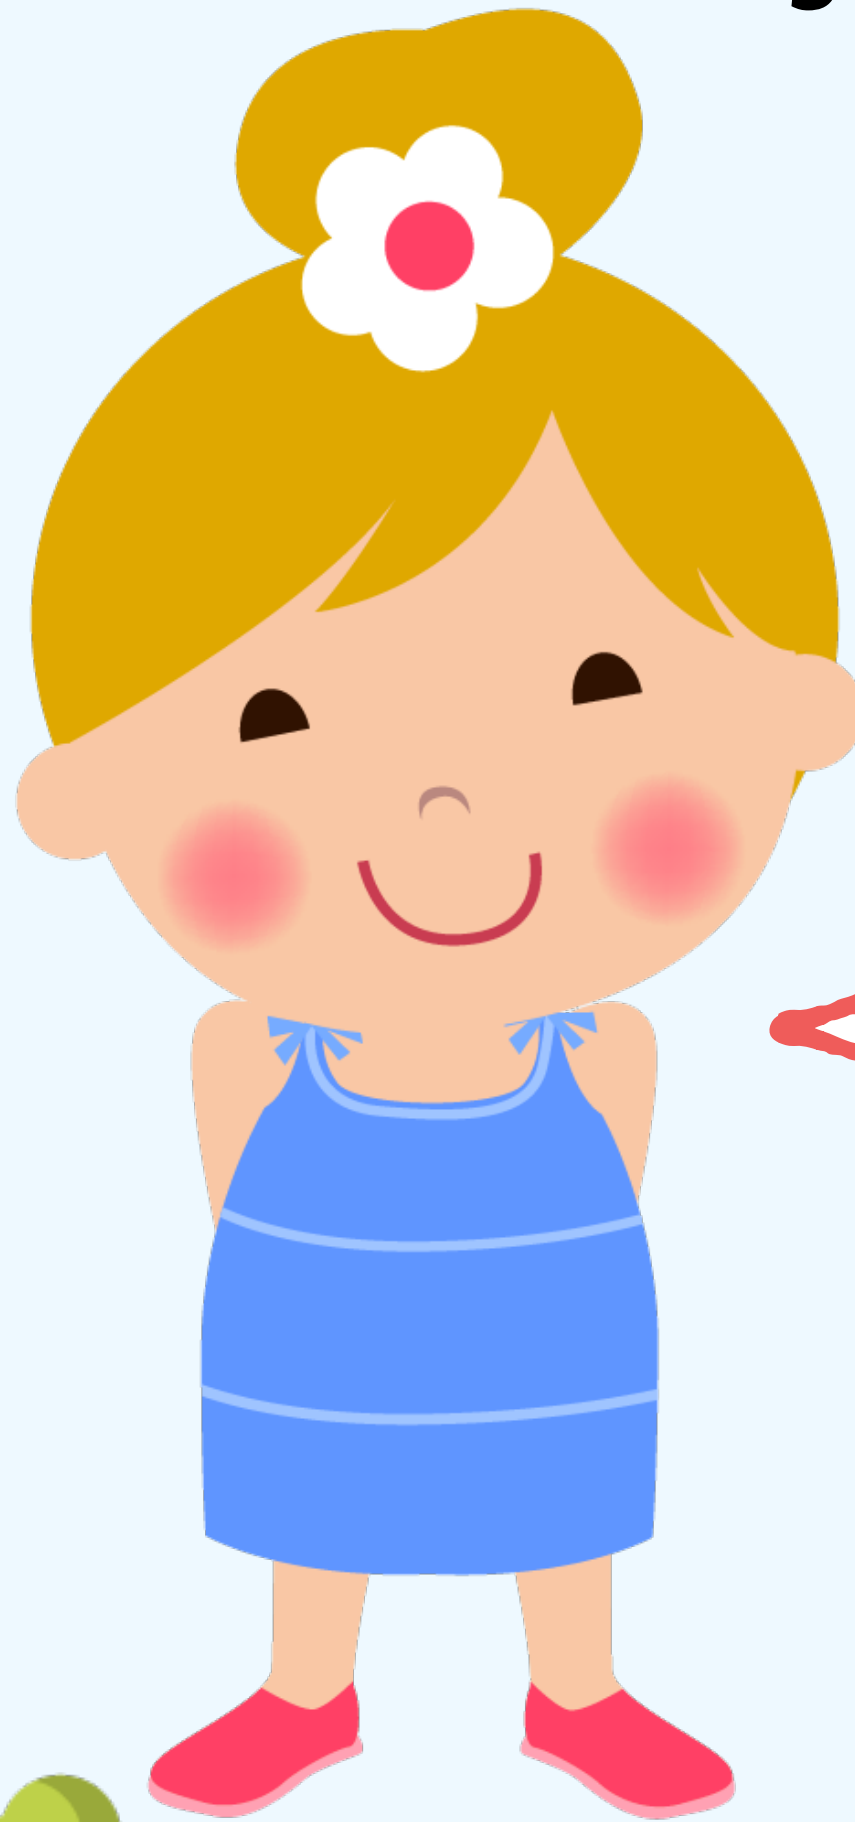

Discussing different crazes.

A craze is something that lots of people enjoy for a short period of time. It is the must-have thing right now, but it will probably be forgotten about by next year.

What were lots of children playing with in 2017?

# In 2017 Fidget Spinners were very popular!

Did you have one?

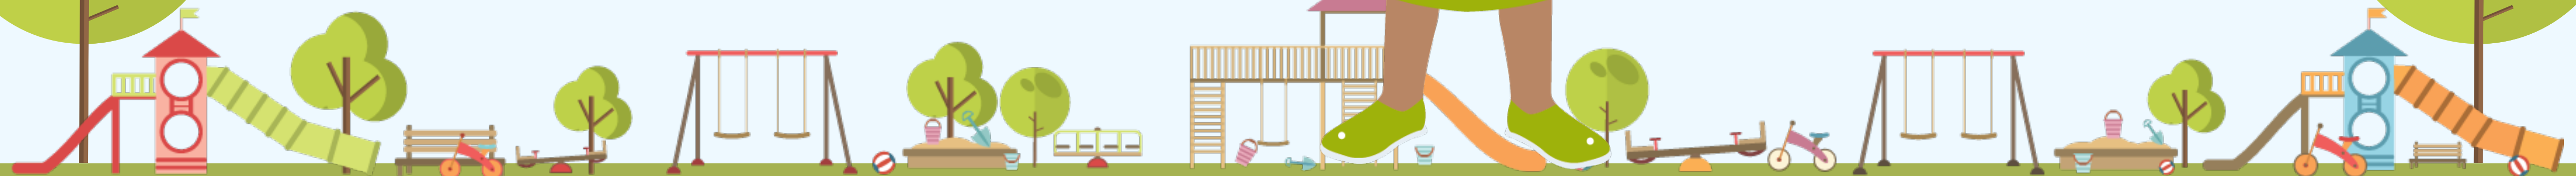

Did anyone you  
know have one?

Are they still played  
with today?
