Dear Parents/Carers,

RE: Statutory Relationships and Health Education Policy

This academic year, the Government has made it statutory for all children in primary school to be taught Relationships and Health Education.

We have drafted our proposed 'Relationships and Health Education Policy', which is attached here for all parents to read and respond to. You may recall that we held meetings in March 2020 to discuss the teaching of Relationships and Health Education at our school. The policy has been drafted using the feedback received at this time, as well as feedback from staff, school council members and the senior leadership team.

You can now respond to the policy using our parent questionnaire by using this Google Forms document:

https://docs.google.com/forms/d/e/1FAIpQLScodLyJkCOMi9zK_caR9rgadezN84xibx-K0sYYmHJJew1og/viewform?usp=sf_link

The consultation will close on Friday 18th December 2020.

The policy will then be reviewed in light of the feedback from parents so that it can be ratified by the Board of Governors (Provision and Effectiveness Committee).

We hope that as many parents as possible will respond to the policy and engage with the consultation process.

Yours sincerely,

Ms C Benjamin

PSHE Leader
