

Monday 21st September 2020

Representing numbers on a number line

Problem of the day

Write the next number in this sequence.

4, 5, 6, 7, _____

Learning objective

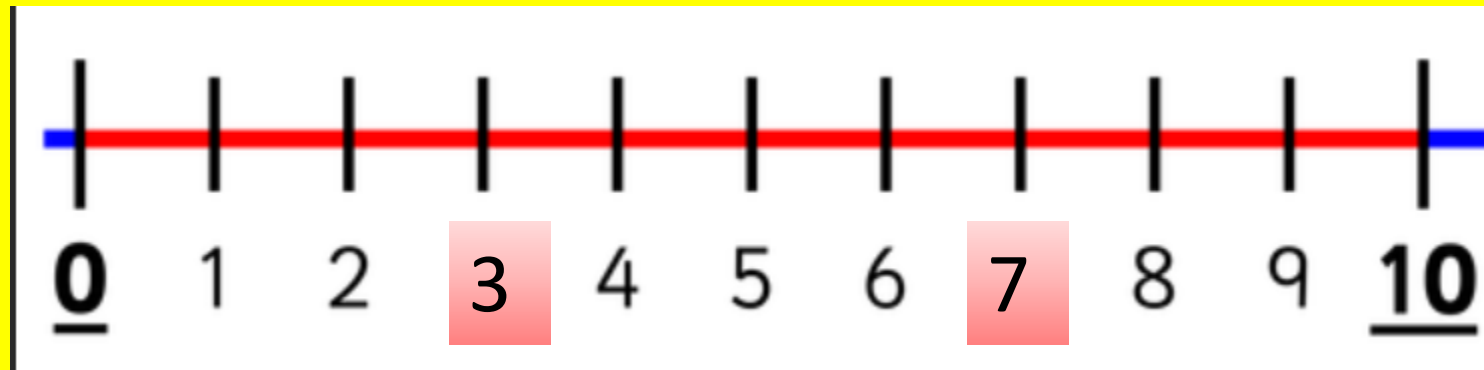

To represent numbers on a number line.

Have a go at counting forwards to 10!

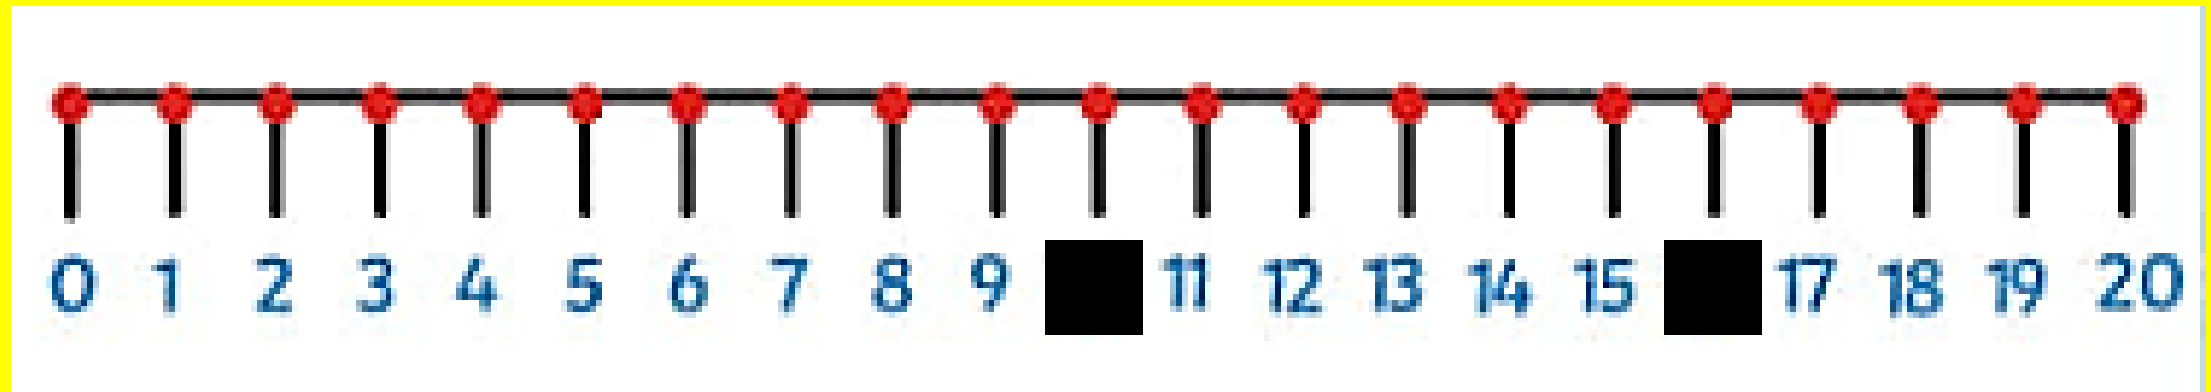

Oh no! The numbers are missing! Can you find the missing numbers?

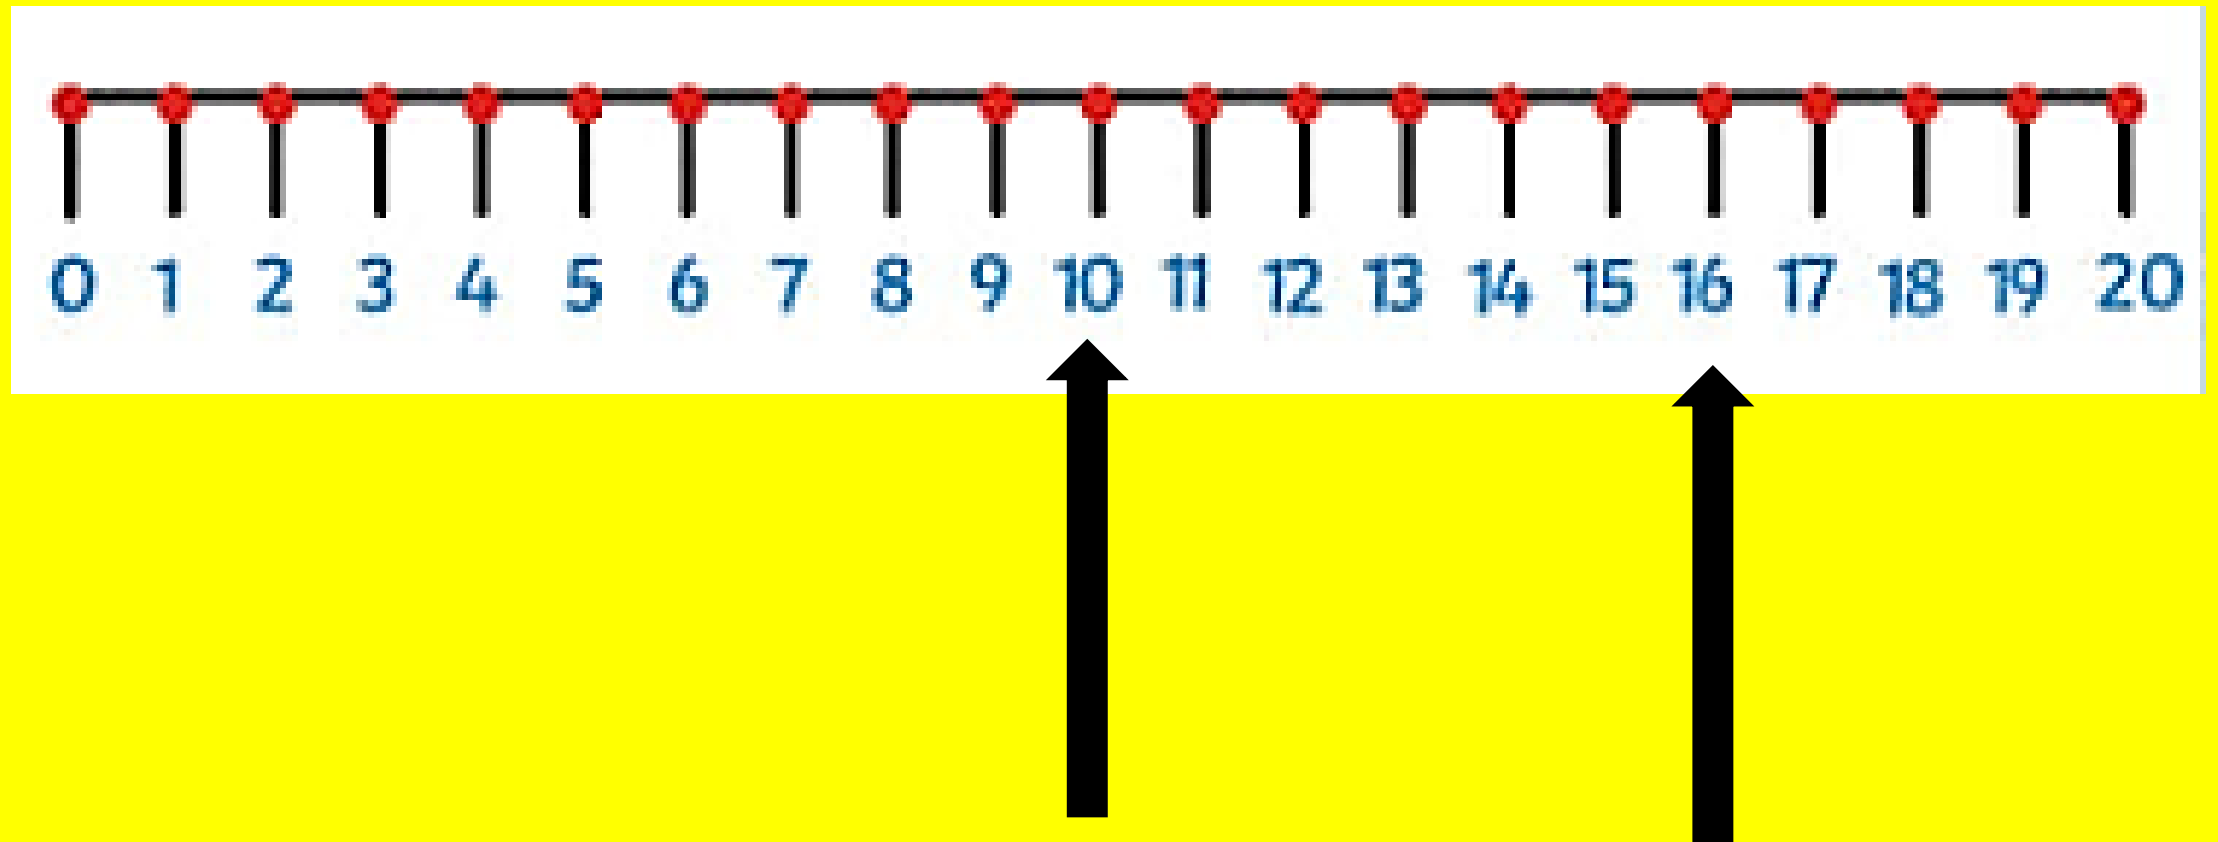

Well done!

Have a go at filling in the missing numbers

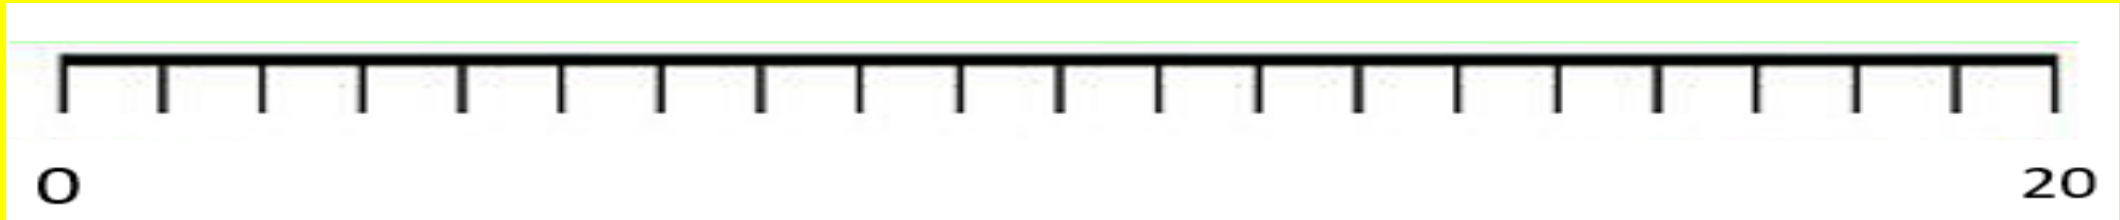

Well done!

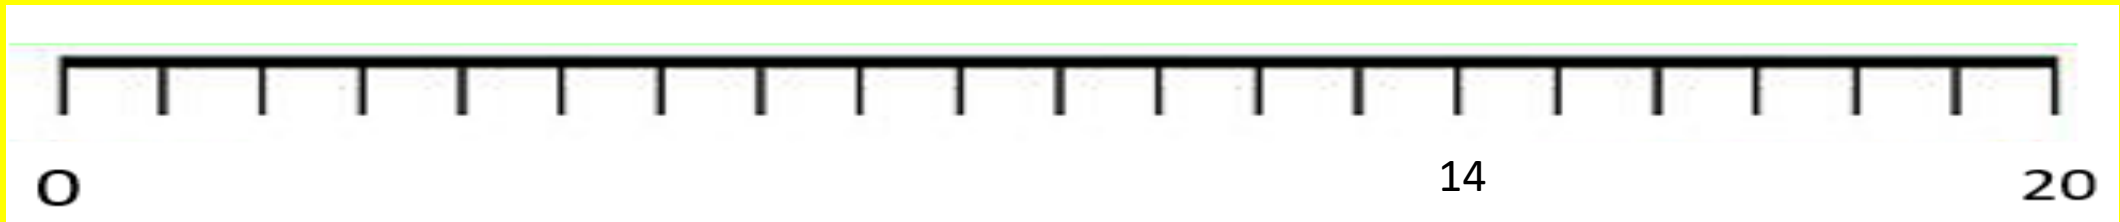

This one is trickier...but have a go!

- Place the number 14 on the number line.

Well done!
