Wonders of the World

L.O: To design and construct a structure.

Task

Year 3, it is time for you to design and build a model of your Wembley Wonder of the World!

Activity 1: Use any material you find at home to design your model

Activity 2: ***(choose from one of the challenges below)***

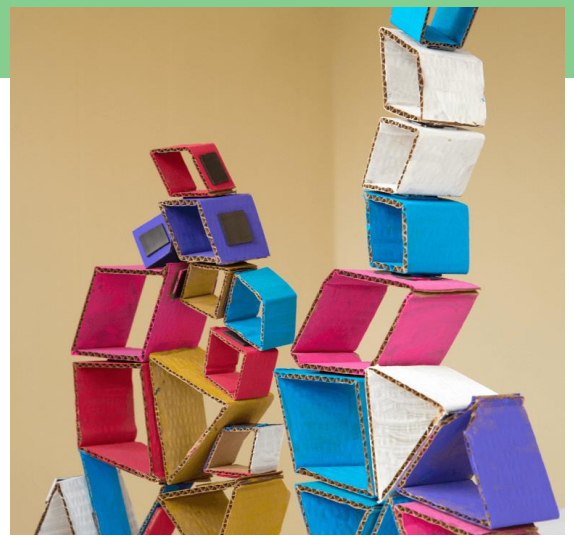
Challenge 1: Write 6 simple sentences about your model
Challenge 2: Write one paragraph about your model
Challenge 3: Write two paragraphs about your model

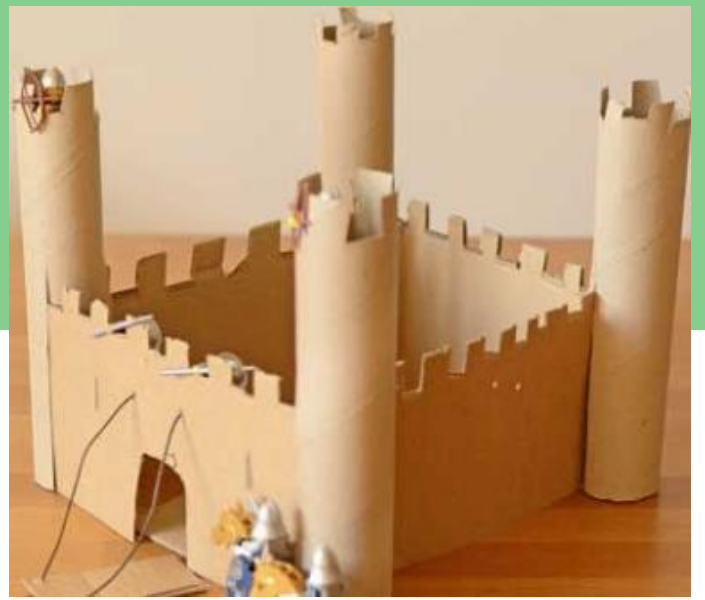
Use these sentences to help you with your writing:

- *What is your wonder of the world called?*
- *What material did you use to create your model?*
- *What makes your wonder of the world special?*
- *Where would your model be located?*
- *How is it similar or different to other wonders of the world?*

Activity 3: Evaluate your piece of design *(see the next slide)*

Examples





Self evaluation

Evaluation is the process of reflecting on your piece of work.

We evaluate by observing (looking) and thinking about what you liked about your design and then finding ways to improve it.

Evaluation is important because it helps us to improve our design!
