

Starter

$$24\% \text{ of } \pounds 298 =$$

$$1346 \times 7 =$$

$$3.97 + 2.6 =$$

$$\frac{5}{6} - \frac{2}{3} =$$

Day 2- Fractions, decimals and percentages assessment on Education City.

Please complete the learning that has been set for you in your Education City Maths page. If you are unsure of where it is or You are unable to find it, please email learning@wembleyprimary.brent.sch.uk

It is not a test, it is just for your teacher to see how you found the topic and in which areas we can support you further in!

Starter

$$24\% \text{ of } \pounds 298 = \pounds 71.52$$

$$1346 \times 7 = 9422$$

$$3.97 + 2.6 = 6.57$$

$$\frac{5}{6} - \frac{2}{3} = \frac{1}{6}$$
