

# Wembley Primary School

In our first Parent Forum meeting....

*You  
said...*

*We  
did...*

The School communicated with parents and carers well but the website needed improving as it was difficult to use on mobile devices.

We have already started redesigning our website to ensure it is easy to use and follow on mobile devices. It will be ready soon!

As a school we offer a lot of great workshops but sometimes you may not be aware of which workshops are taking place and when.

Half termly year group newsletters will contain the dates and times of workshops running that half term so that you can plan to attend them in advance.

You would like to be more involved with events and celebrations that take place at school.

We have many events such as a Cultural Day planned to take place this year. We will be discussing ways that you can help at the next Parent Forum meeting.
